

Colour Chart Guides

The following colour charts are intended as a guide to the ranges available to you.

The colours depicted on the following charts are for guidance only. The displayed colour will depend on your monitor and browser type. We do not advise printing these colours to show an exact depiction.

Pearl or metallic colours cannot be shown adequately and the type of powder coating (wet or dry) will also have an effect on the finish.

The finished colour, therefore, may not be exactly as shown here.
